

Le Cercle Français, Pi Delta Phi & the Department of Modern Languages at FIU

Invite you to join us in our community work

at **F.R.I.E.N.D.S.**

The mission and vision of the Florida Research Institute for Equine Nurturing Development and Safety is to provide a permanent safe haven for all horses that are asymptomatic carriers of Equine Infectious Anemia within the state of Florida as well as for any horse in need within the Broward County area thus preventing their needless destruction. An equine sanctuary, F.R.I.E.N.D.S. has been rescuing horses for 28 years now, providing them with veterinary care, love, food and shelter.

Join us in this community service and get educated on these beautiful animals. You will need to wear comfortable clothing, closed shoes, hat, sun protection, gloves and rubber boots (you will be able to borrow boots on the site). Make sure to have breakfast before you arrive. Bring snacks and water. This is intense physical labor, no one under 15 years old allowed. Space is limited to 12 participants. To reserve your spot, please contact Dr. García at garciahd@fiu.edu

F.R.I.E.N.D.S.

Florida Research Institute for Equine Nurturing Development and Safety
19801 Sheridan Street, Fort Lauderdale, FL 33332

Saturday, January 30, 2016
12:00-5:30 pm
