CONTEST CATEGORIES

1. Public Speech Contest

In the Speech Contest, participants are allowed to use a digital visual aid (a series of up to five pictures on a PowerPoint or PC-compatible program) to enhance the audience's experience of the speech. Those who are using the visual aid must bring their visual on a USB drive and save the file on the computer at the venue by 10 minutes before the speech contest starts. This visual aid does NOT factor into scoring; the judges will still be looking for a well-prepared and performed speech, regardless of how visually appealing the aid is.
